## About A J FABRICATION AND TRADERS

A J FABRICATION AND TRADERS, situated in Jhunjhunu, Rajasthan, was established in 1997. With twenty years of involvement, we have laid down a good foundation for ourselves as a dependable maker and provider of moving screens and wheel pushcart streetcars.

A J FABRICATION AND TRADERS is committed to turning into a main name in the business, perceived for conveying creative and top-notch items. We mean to grow our item contributions and geographic reach while keeping up with our obligation to quality and client assistance.

### About us

Our moving screens take special care of many applications, including private, business, and modern. These shades are worked to endure brutal circumstances and give security and true serenity. We offer customization choices to meet explicit prerequisites.

Our wheel pushcart streetcars are prestigious for their strength and proficiency. Intended for the simple transportation of weighty burdens, they are great for building locales, distribution centres, and different material-taking care of requirements. Various sizes and setups are accessible to suit assorted applications.

We maintain severe quality control guidelines to guarantee the greatness of our items. Our group contains talented experts with long periods of mastery in creation and assembly. We offer financially savvy arrangements without settling for less on quality. We anticipate serving your necessities with greatness and commitment.
