

We are leading name engaged as Manufacturer, Exporter and Supplier of wide range of Blow Molds, Bottle Moulds, Circlips, CNC Job Work and Dowel Pins etc...

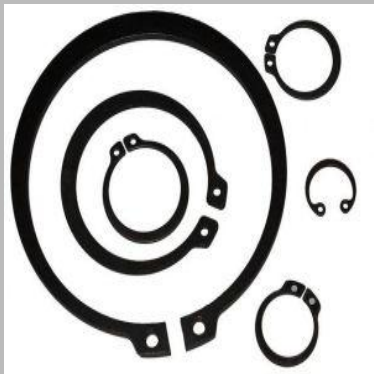

Sheet Metal Pressed Components

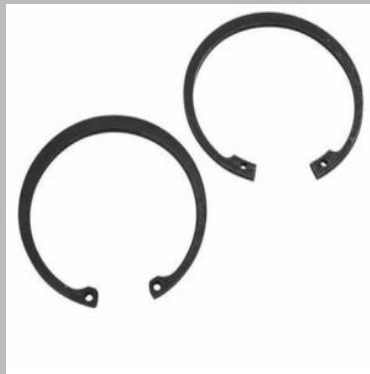

CNC Job Work

PET Blow Mould

External Circlip

Internal Circlips

Spring Dowel Pin

About ABM Overseas

Since the year 2017 and headquartered in Maharashtra, ABM Overseas is well known for producing and delivering specialized metal components and moulds for industrial usage. Product lines range from Metal Circlips to Sheet Metal Parts PET Water Bottle Moulds and PVC Pipe Fitting Moulds. Target sectors include the automotive, packaging industries, construction industries, as well as plumbing industries. Therefore, such quality products help ABM Overseas gain credibility and an excellent engineering approach.

Dedicated to Quality Engineering and Precision Manufacturing

ABM Overseas brings precision to the forefront of all its components, thereby ensuring that each product adheres to the specifications that ensure reliable performance. Right from Stainless Steel E-Type Circlips to Automotive Sheet Metal Components, the quality check procedure of the company happens under severe tests for accurate crafting. It has become a source of trusted steel manufacturing partners in the industry with a dedication towards quality.

Customer-Centric Solutions and Global Reach

ABM Overseas will adopt flexible, customised manufacturing services to meet the requirements of every client because it regards customer satisfaction very high. It delivers products aligned with industry standards and specific demands of clients by maintaining a client-focused approach through continued investment in new technologies. As ABM Overseas expands its product offering and market presence, the company will continue to serve an increasing number of international clients for precision-engineered metal components and moulds.

Factsheet
