## About Aadaa International

**Aadaa International** is an emerging **manufacturer** and **supplier** of ladies wear since **2019**. Our product range comprises of Ladies Blazer, Ladies Jacket, Ladies Long Coat etc. The products are excellently designed considering the latest fashion trends. Our customers can avail the offered range at competitive prices throughout India. We also offer customized products as per the preferences and the demands of our valuable clientele.

Aadaa International is offering a premium range of readymade garment specializing in Ladies Wear. We are quality conscious manufacturers who follows buyers tech packs and quality manuals religiously and provide best quality merchandise. We are having expertise in fabric sourcing and we make use of best quality Indian and imported fabrics to design our products.

At Aadaa International, we believe in quality and on time delivery. We are flexible in offering minimum order quantities starting from as low as 250 pieces per color & per style, we do have a well maintained sampling unit headed by best professional in our field of business.

Along with a team of professional merchandising & production experts, we have a well-constructed infrastructural unit that is equipped with cutting-edge machinery and technology. Our infrastructural unit plays a vital role in the entire process of production and helps our team to perfectly manage each and every activity right from raw material procurement to manufacturing and logistic activities.

Running under the mentorship **Mr. Ashish Mathur**, who is also the **business head** of the organization, the company is striving to reach its business target. His expert managerial skills enabled us to readily accept bulk orders from our clients and ensure to complete them within the specified timeline.
