## About Advika Aircon

Advika Aircon is the place to go for anything cooling or air conditioning-related. Greetings from our side. You may rely on Advika Aircon for top-notch cooling solutions. Established in 2018, the company's headquarters are in Pune, Maharashtra. Our business is committed to providing high-quality goods and services. We take great satisfaction in providing a wide range of air conditioning systems that may meet different demands all across India. About Us At Advika Aircon, we're more than simply a business—we're your reliable partner in providing efficient cooling solutions to ensure comfort. Under the direction of our Director, Ms. Nikita, we have made a name for ourselves in the air conditioning industry. Our influence on residences and commercial establishments is still quite strong. Our extensive selection of choices includes split air conditioners, cassette air conditioners, water-cooled chillers, 4, 6, 12, and 60 HP Daikin VRV systems, and more. Our commitment to providing high-quality products is seen in the range of extra cooling options we provide. They are designed to meet the unique requirements of various commercial and residential settings. Our portfolio, which features industrial exhaust fans and Daikin air purifiers shows our continuous dedication to enhancing your interior atmosphere. Our split air conditioners also come in various ranges including 1.5 Ton Blue Star Split Inverter AC, 1.5 Ton Daikin Split Air Conditioner, LG Dual Inverter Split Ac, Lloyd 1.2 Ton 3 Star Split Inverter AC, Mitsubishi 1.5 Ton 3 Star Split AC , Samsung 1.5 Ton 3 Star Split AC, Voltas 1.4 Ton 3 Star Split AC. Our ductable air conditioners, evaporative cooling units, and cassette air conditioners from Daikin are skillfully built to deliver the greatest possible cooling experience. Our goal at Advika Aircon is to elevate your level of comfort with comprehensive solutions. We think it's essential to provide you with the most recent advancements in the cooling business as well as energy efficiency. Selecting us means selecting a travel companion who will assist you in achieving the highest standards of luxury and well-being. Click through our selection to see why Advika Aircon is better for you.
