About Akshat Jewelry

At Akshat Jewellery, we make art rather than merely jewellery. Located in the energetic Gujarati city of Surat, our love of gold is evident in every piece we create. Our craftspeople combine classic methods with contemporary style. What was the outcome? Jewellery that is both modern and classic.

Our Promise

We guarantee unparalleled quality. At Akshat Jewellery, every gold item of jewellery is subjected to stringent quality inspections. We trust in the genuineness of design and the purity of gold. Our jewellery communicates a narrative in addition to being beautiful. Your narrative. Our items are made to capture memorable events, be it a wedding, an anniversary, or a unique present.

Our Inspiration

India's rich cultural legacy serves as our source of inspiration. The diamond metropolis of Surat enlivens our imagination. We take inspiration from current art, nature, and ancient themes. The beauty and elegance of Indian ladies are reflected in our creations. We design jewellery that speaks to their power and beauty. Every item pays homage to India's rich history of goldsmithing.
