About AP Crafts

AP Crafts is a quality **manufacturers and exporters** of metal handicrafts based in India. we have been an origin for many handicrafts products, techniques, finishes, etc. we provide new way to International buyers. we were the first to bring in various categories of products in galvanized material and inwardly feel delighted that our galvanized collection attracted the market and translated into a great opportunity for us in the form of big volume of business from worldwide customers

Our factory is hierarchically arranged and equipped with all the necessary machinery involving in manufacturing process, finishing process etc. and we are inclined to upgrade us with latest technologies in order to enhance production capability and achieving lesser shipping lead time.

We have is expanded massively and embarked into various markets exhibiting numerous attractive decorative, utility products etc. We, at AP Crafts, are engaged in preserving this tradition and adding new dimensions to this existing trade. We export all these to almost every nook & corner of the world.

AP Crafts of India has held high the flag of Indian handicrafts with its exotic brass handicrafts, wholesale garden accessories, garden ornaments, copper handicrafts, iron handicrafts, aluminum handicrafts, wood handicrafts and glass handicrafts. At AP Crafts, we design and fabricate beautiful art-wares having aesthetic sense.

We have presence of our associates in almost all the major international locations, which enables us to deliver as per your expectations and in perfect condition. We have accumulated rich experience in providing our clients with unique and flexible delivery solutions on an international scale.

Reflecting the rich cultural heritage of India, Comet Handicrafts have an exquisite collection of handcrafted items at most competitive prices. The collection from our company never fail to enchant anybody because of their original, traditional and intricate designs. Our collection has made a mark for itself all across the globe.

Our **11+ years** of experience producing metalware allows us to be the ideal supplier for any industrial, commercial application, and our processes and strict adherence to customer specifications, ensures that we produce the most durable custom metal nameplates and hardware available in the industry. Services include concept drawings to prototyping, no quantity is too big or small.

We are supported in our operations by a team of **20 skilled & non skilled workers** who coordinate with **around 50 skilled sub-contracted laborers**. Our considerable resource of people, Infrastructure and

AP Crafts

technology means that the customer is assured of a high quality Products at all times. We have a strong team of workers & executives to assist, with customer.
