

Applied Techno Systems

Applied Techno Systems is known as top Manufacturer, Exporter, Supplier, Retailer, Trader, Distributor, Importer and Buying House of best AIR Monitoring Instruments, Analytical Instruments, Analyzers and Analytical Instruments, Business Management Consultants and Calibrators and Monitoring Systems.

Portable Dew Point Analyzer

portable dew point meter

gas detection systems

Portable Multi Gas Leak Monitor

Portable Nitrogen Gas Leak Detector

Multi gas analyzer

About Applied Techno Systems

Applied Techno Systems is a reputed Manufacturer and Supplier of Industrial Analyzers, Monitoring System, Industrial Meters, Industrial Monitors etc. Our quality compliant business practices enable us to cater to the vast client needs. Our products are known for analysis range, user-friendly operation, precision in design, smooth functioning, and extended service life. We have dedicated engineers, who are prepared to design outstanding products. Our research team carries out vigorous surveys to satisfy the varying client needs. Moreover, our client-oriented methods are the key to our accelerated progress and growth. We wish to prosper with every undertaking.

Incorporated in 2013, Applied Techno Systems is reckoned as a renowned name in the region. M L Yadav is the Company Founder and under his guidance, we have grown immensely across the sector. We are based in Thane, Maharashtra (India).

Why Us

We choose all operations and approaches with respect to the best interest of clients. We have thus generated a large clientele across the country. Our firm is supported with the required technology, resources and assets. Moreover, we collaborate with the industry leading vendors for various materials.

Our Infrastructure

We have invested significantly in modernizing our infrastructure for long-term success. Our work set up occupies a vast area. We have installed upgraded technology at our industrial base, and we are thus able to supply flawless products.

Quality Assurance

We maintain crucial quality standards and offer products, accordingly. We maintain optimum honesty and we offer finished products with the objective of adding value. We procure top-quality raw materials and administer timely audits during the production stage.

Factsheet

Basic Information

Nature of Business : Manufacturer / Exporter / Supplier / Retailer / Trader / Distributor / Importer / Buying House

Contact Person : Mr. M L Yadav

Registered Address : 104, Delta Industrial Estate, Building No.1, Bhoidapada, Sativali Road, Vasai East, Mumbai, Maharashtra

Total Number of Employees : 20 - 50

Year of Establishment : 2013

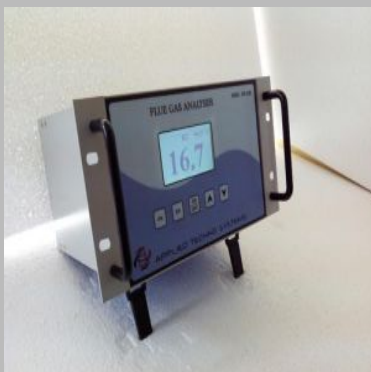

Legal Status of Firm : Individual (Sole proprietorship)

Gas Analyzers

Turbine Process Gas
Anlazer

Turbine Portable Gas
Analyzer

Tri Portable Gas Analyzer

stack gas analyzers

Stack Continuous Gas
Analyzer

SOX NOX Gas Analyzer

Computer Monitor

Portable Multi Gas Leak Monitor

Portable Gas Monitor

Portable Gas Leak Monitor

PM 2.5 Indoor Air Quality Monitor

Opacity Monitor

Online Dew Point Monitor

Measuring Instruments & Equipment

VOC Monitor

Total Dissolved Solid
Meter

Portable Multi Gas Leak
Meter

portable dew point meter

portable dew point meter

PH Meter

Analyzers and Analytical Instruments

Toxic Gas Dust
Particulate Monitor

Portable Dust Indoor Air
Quality Monitor

Ozone Monitor

Oxygen Monitor

Oxygen Dust Particulate
Monitor

Opacity Dust Particulate
Monitor

Online SOX and NOX
Analyzer

Gas Leak Detector

PORTABLE VOC GAS
DETECTOR

Portable Single Gas
Detectors

portable ozone gas leak
detector

PORTABLE NITROGEN
GAS DETECTOR/N2
GAS DETECTOR

PORTABLE MULTI GAS
DETECTOR(O₂,CO,H₂S,LEL)

Portable Methane(CH₄)
Gas Detectors Model
ATS-103M.

Leak Detectors

Portable Nitrogen Gas Leak Detector

Portable Multi Gas Leak Detector

Portable Gas Leak Detector

Portable Ammonia Gas Leak Detector

LPG Gas Leak Detector

Industrial Hydrogen Gas Leak Detector

Analytical Instruments

Trace Oxygen Gas
Analyzer /COMPACT
AND
MICROPROCESOR
CONTROLLEDLER
BASED

Syn Gas Analyzer

PORTABLE NITROGEN
PURITY GAS
ANALYZERS

ONLINE SO₂ GAS
ANALYZER

ONLINE PRODUCER
