## About Arhaan Enterprises

### Natural Frozen and Dehydrated Foods

Established in 2010, we at Natural Frozen and Dehydrated Foods are a professional manufacturer, trader, and supplier of frozen vegetables. Our products are in high demand for their fresh quality. We have a specialisation in frozen green peas, frozen sweet corn, and frozen cauliflower. Our organisation is one of the leading suppliers, and product quality is highly appreciated by the customers.

The special sets of machines that we provide are acknowledged worldwide for their best quality. We also accept customised orders from the side of the customers and provide special facilities for customisation as per the needs of the clients. Moreover, our packaging solution guarantees to keep the vegetable fresh for a long time.

Moreover, we check each and every product before collecting it to make sure of its supremacy in the industry. These products are again checked by us on sure quality factors before finally shipping them to our clients. Additionally, we give them a safe and quality-assured packing material to provide them securely to the clients.

Priced nominally, our offered assortment of products is in tandem with industry-defined norms and quality parameters.

Under the strong headship of our proprietor, "Mr. Paresh Solanki," natural frozen and dehydrated foods have gained a significant position in our market. Moreover, we provide trading and services all over India.
