About AVS CHEMTECH ENGINEERING SOLUTION

Established in the year **2022**, we “**AVS CHEMTECH ENGINEERING SOLUTION** are a sole proprietorship firm engaged in **manufacturing, supplying and exporting** an excellent assortment of Industrial Storage Tank, Industrial Plants, Hot Air Dryer, Tank Erection Hydraulic Jack System, Reactor Vessel. The entire range of products is manufactured using high-grade raw material procured from the reliable vendor of the market in accordance to international quality standards. Further, we stringently test the products on various parameters to ensure flawless range of products. Owing to their features such as sturdiness, durability and excellent performance, these products are widely demanded by the clients.

We have developed a huge and well equipped infrastructure unit at our premise to manufacture the offered assortment of products. We have assorted all advanced tools and equipments desired for the production process of the offered water tanks. Our team of deft professionals enabled us to develop our offerings as per the ongoing market developments, as they are fully aware with the progressive tools and technology. We procure basic material from the trusted and certified resources of the industry. Also our provided products are passed through stringent quality assurance procedures under the assistance of our quality experts. We have developed a huge client base across the globe.

Under the able and efficient guidance of our mentors **Mr. Ashis Manna, Mr. Vinod Verma, Mr. Sushobhan'** we have been able to reach the heights of zenith in this domain. Their motivating persona, vast knowledge and fascinating business decisions have enabled us to gain the utmost satisfaction of the customers.
