## About Ayaan Granites and Marbles

Ayaan Granites and Marbles was established in the year 2021 in Andhra Pradesh, India. We are an exporter and service provider that Indian granite slabs, imported granite slabs, Indian marble slabs and a lot more.

Ayaan Granites and Marbles has satisfied the requirements of countless buyers across the globe. Every granite slab and product that we produce carries the stamp of world-class quality. The entire manufacturing process takes place under the direct supervision of skilled quality inspectors thus ensuring the best quality at attractive prices.

Ayaan Granites and Marbles are strategically located in the rich granite belt of India, so we can supply an uninterrupted source of raw and finished granite products worldwide. We have recently started collaborations with additional quarries in India, enabling us to offer our clients a greater variety of granite slabs, marble and other natural stone.

### Why Choose Us?

Ayaan Granites and Marbles is a consortium of fast-growing, quality-conscious manufacturing units committed to offering a common platform for launching their granite products in highly competitive international markets. It comprises a group of dedicated teams of trained granite manufacturers known for their craftsmanship and marksmanship in international manufacturing, marketing, trading, and exports.

Our granite products are manufactured by current market trends. We have carved a niche for ourselves as granite manufacturers and granite exporters of widely-acclaimed quality different kinds of natural stones.

We also offer an economical alternative for granite products to those who dont wish to make compromises on aesthetics but have to address the monetary constraints of their customers.
