About Barnala Industries

Barnala Industries is a reputed Manufacturer and Supplier of Cultivator Shovels, Reaper and Harvester Blade, Rotavator Blades etc. We are a sole proprietorship firm, catering to the vast requirements of clients throughout the country. We have been offering outstanding products since our company's foundation. The products that we offer have been reckoned widely by clients. It is our foremost objective to ensure their maximum satisfaction. We have established a wide clientele in a short time. We wish to emerge as one of the leading companies in the sector. By working with utmost integrity, we have prospered immensely since our inception.

Established in 2017, Barnala Industries is counted as a prominent name in the region. Pawan Kumar Goyal is the Owner of the company, who is a phenomenal mentor for us. We are based in Moga, Punjab (India). We deal in KP Gold brand and we operate throughout the country.

Why Us

We are an eminent firm committed to offer premium quality products within the minimum time. Some factors which have helped us to become the prime choice of the patrons are:

Qualitative products Skilled professionals Client-centric approach Excellent logistical facility Prompt delivery

Logistics

We have a wide network of distribution. All our products are packed safely, and we deliver orders to clients without any delay. We always consider the varied requirements of clients while offering these products. We are thus a preferred firm for clients.
