About Bihar Fish Seed Center

Located in the heart of Sitamarhi, Bihar, Bihar Fish Seed Center has been a steadfast champion of the state's aquaculture industry since its inception in 2014. Led by the dedicated efforts of owner Mohammad Raquib, the company has carved a niche for itself as a leading manufacturer and trader of a diverse range of fish seeds, fueling the growth and success of countless fish farmers across the region.

A Sea of Possibilities:

Bihar Fish Seed Center boasts an impressive repertoire of over 15 distinct fish seed varieties, catering to the diverse needs and preferences of its clientele. From the prized Amur Carp and Koi to the commercially vital Mangur and Pangasius, they offer a veritable smorgasbord of options for both seasoned and aspiring fish farmers.

Bihar Fish Seed Center is unwavering in its commitment to quality. They meticulously maintain a controlled breeding environment, ensuring the health and vigor of their fish seeds. This dedication translates into higher survival rates and faster growth for the farmers, ultimately leading to increased profitability and a thriving fish farming ecosystem.

A Partner in Progress:

The company goes beyond simply providing fish seeds. They understand the intricacies of fish farming and are committed to supporting their customers every step of the way. They offer valuable guidance on pond management, feeding practices, and disease prevention, empowering farmers to navigate the challenges of aquaculture with confidence.

Swimming Towards a Sustainable Future:

Bihar Fish Seed Center recognizes the importance of environmental stewardship. They prioritize sustainable practices throughout their operations, minimizing waste and utilizing resources responsibly. This commitment to ecological balance ensures the long-term viability of the fish farming industry, safeguarding the livelihoods of generations to come.

The Future is Fin-tastic:

With its unwavering focus on quality, diversity, and sustainability, Bihar Fish Seed Center is poised to continue playing a pivotal role in Bihar's aquaculture journey. Their dedication to empowering fish farmers and nurturing a thriving industry promises a future brimming with possibilities, where the waters of Bihar teem with life and prosperity.
