## About BLISS INDIA EXIM

With decades of experience in sea salt production since 1990, we at Bliss India Exim stand firm as one of the most promising and reliable entities present in Gandhidham (Gujarat, India) that is diligently engaged in succeeding the past domains by exporting and supplying a qualitative range of basmati and non-basmati rice and all types of castor oil derivatives. Being a prominent dealer, our entire range is well classified to be applied in various industries across the globe.

At Bliss India Exim, we were founded by a former salt farmer Mr. Jignesh Khatariya, who has extensive knowledge and experience in salt production, harvesting and trading, maintaining a large product portfolio of White Raw Salt, Free Flow Salt, Triple Refined Salt, Himalayan Pink Salt, Solid Black Salt, Black Salt Powder etc. This immensely helped us to honour our founder's legacy by providing our customers with the highest quality salt products and exceptional service.

Further, in order to furnish the best in class products, we have established a wide network and strong relationships with reputed suppliers all over the world who are renowned to provide standardised products at cost effective prices. With the support of a cutting edge infrastructure facility, our vendors are equally committed to providing our clients with the best quality products in the required specification.

Leveraging on our competent partners, we understand the importance of sustainable and responsible sourcing practices. Thus, we work closely with our suppliers to ensure that our products are harvested and processed in an environmentally friendly and socially responsible manner without any artificial or decaying factors that can affect the efficacy of our products in any way. We also conduct regular quality checks to ensure that our customers receive only the best products.

Thank you for considering our salt trading company for your business needs. We are committed to providing you with exceptional service and high-quality salt products that meet your needs and exceed your expectations.
