About Marwadi Delight

The idea behind Marwadi Delight was to passionately introduce the world to Rajasthan's delectable flavours. Located in Hanumangarh, we are experts in dealing with and selling premium vegetable and banana powders. Our adventure began with a straightforward concept: to make wholesome, natural products easily available. We've developed into a reputable brand, distinguished by our dedication to taste and quality.

What We Offer

We at Marwadi Delight are proud to provide goods that capture the spirit of the natural world. Fresh food from the farm is used to make our vegetable powder, which is then expertly crushed and dried. It is a flexible component that gives your meals taste and nutrients. Made from ripe, hand-selected bananas, our banana powder adds sweetness and health to smoothies, baby food, and other recipes.

Our Vision

At Marwadi Delight, our mission is to be the premier supplier of healthy, natural food items. Our goal is to stay loyal to our heritage while continuing to broaden our reach. Our goals are to encourage better eating practices and help the neighbourhood's farmers. Future-focused, we're still dedicated to providing our clients with items they can rely on and enjoy.

Why Choose Us?

Selecting Marwadi Delight equates to selecting excellence. Our raw ingredients come from nearby farmers who share our commitment to quality. To guarantee that it lives up to our high standards, each batch of powder is put through thorough quality inspections. We are aware that every spoonful has the promise of flavour, tradition, and good health.
