About C-Kanaro Textile Machinery Pvt. Ltd.

C-Kanaro Textile Machinery Pvt. Ltd.

Incepted in the year 2023, C-Kanaro Textile Machinery Pvt. Ltd. is a renowned supplier of the Rotary Machine, Rotary Plant Trolleys, Rotary Plant Parts, Engraving Plant Parts, Colour Strainers, Industrial Pumps, Automatic Coating Machine, Automatic Exposing Machine, Endring Fixing Machine, Endring Removing Machine, Stripping Tank, Degreasing Tank, and Retouching Chromic Stand. We are managing our business in Ahmedabad, Gujarat, India.

Vastly acclaimed in the industry owing to their delicacy, these are shown by us in standard forms to the clients. These are examined sternly to maintain their best quality.

Our Infrastructure

Our organisation has a sound infrastructural unit where all of the business activities are performed in a professional way. The infrastructure unit is spread over a broad area and is completely furnished with the latest machines. It includes all important services through which we meet our set targets with the utmost precision. These technologies give C-Kanaro Textile Machinery Pvt. Ltd. an edge over our competitors and help us face market competition.

All of our range of rotary machines and other machines are highly accepted by our clientele and offered at less competitive prices. We also offer the best range of customised options according to the most preferred demands.

Under the administration of our guide, Mr. Kalpesh Basopiya (Manager), C-Kanaro Textile Machinery Pvt. Ltd. has garnered a reputed standing in this highly competitive industry.
