About Cosmo World

Cosmo World is a centre of ornamental arts creation located in the centre of Pune, Maharashtra. Our journey started with a straightforward yet deep idea: to provide personality and inspiration to areas. We tell stories of artistic brilliance that cut over borders with each brushstroke.

Art Meets Mastery

We at Cosmo World take great pleasure in our proficiency in our field. Our artists, who come from the rich tapestry of Indian creativity, put their hearts and souls into all they do. All of the artwork, from elaborate paintings that shimmer with colour to statues that give life to stone, possesses the stamp of unmatched creativity. We are believers in the enchantment of fine handcrafting, where innovation and tradition combine to create eternal masterpieces.

Quality Assurance:

Quality is our guiding concept, not merely a checkbox. We take every precaution to ensure excellence, from the choice of high-quality materials to the finishing touches. Strict quality control procedures ensure that each painting and statue that emerges from our studio is a work of art deserving of appreciation. With each innovation, we surpass expectations and create industry milestones, demonstrating our unrelenting dedication to quality.

Bringing Beauty to Every Corner:

Cosmo World expands its artistic grasp worldwide, with Pune serving as our home hub. Our designs make their way into a variety of settings. We create an environment where beauty has no boundaries by making art available to everyone through smart collaborations and a strong distribution network.
