About Eenat food

Eenat food

Company Profile

Established in the year 2019, we at Eenat Food offer a wide choice of Indian spices. We have specialised in bamboo shoot, dried brown sesame seeds, Indian black sticky rice, ngari fermented fish, Indian spices, spice powder, whole spices, and fresh ginger. We are based in Chandigarh, India. India is an area where modern agriculture techniques are followed and the food products that were engaged in are offered in close proximity to us.

Our highly developed infrastructural facility, upgraded on a highly regular basis, assists us in boosting our position in the market. The facility, laced with all the essential machinery and equipment, assists us in attaining different firms predefined objectives and goals.

As an exporter, Eenat Food is committed to providing top-quality products that are in line with worldwide standards. All these products are made well in our production facility and then quality checked in our quality control unit.

Eenat Food has a strong quality control unit that assists us in creating a strong quality checking process. We are located intentionally where we can get the best-quality fresh fruits and vegetables. Our processing unit is equipped with the necessary tools and manned by experts. With our vision to become the leading company in food processing items, we have created a strict quality policy. We are a growing corporation and are positive about our development in the near future.
