About Eurasia

Eurasia, based in the industrial hub of Howrah, West Bengal, has been a trusted name in the manufacturing and supply of industrial sealing solutions since its inception in 1995. With over two decades of experience, we have established ourselves as a leading provider of high-quality industrial seals and rubber products, catering to a wide range of industries.

Our product range includes Industrial Seals, Jet Valve Diaphragms, Rubber Bellows, SWR Rubber Rings, and Rubber Gaskets. These precision-engineered components play a critical role in maintaining the integrity and efficiency of various industrial processes, making Eurasia an invaluable partner for businesses seeking reliable and durable sealing solutions.

Eurasia's success is underpinned by our unwavering commitment to quality and innovation. We operate a modern manufacturing facility equipped with cutting-edge technology and a skilled workforce that adheres to stringent quality control standards. This ensures that our products consistently meet or exceed the expectations of our clients.

At Eurasia, we prioritize customer satisfaction, and our responsive team is dedicated to providing personalized service and technical expertise to address your specific sealing needs. We understand the importance of timely delivery and cost-effective solutions, and we strive to maintain a competitive edge in the market.

Over the years, Eurasia has built a reputation for excellence, reliability, and professionalism, making us the preferred choice for industrial sealing solutions in Howrah, West Bengal, and across India. We look forward to partnering with you for all your sealing and rubber product requirements.
