## About Gayatri Stamping Industry

Founded in 2020, Gayatri Stamping Industry, situated in Pune, Maharashtra, has swiftly established itself as a leading manufacturer and supplier of critical components for the electrical and engineering industries. Under the visionary leadership of Mr. Vishal Parmeshwar Dhakane, our Founder, we are dedicated to delivering superior quality products and solutions to our valued customers.

At Gayatri Stamping Industry, we specialize in the production of a wide range of precision-engineered products, including Transformer Lamination, Transformer Strip, CRGO Miter Core, Choke Strip With Riveting, CRGO Mitered Lamination, Earthing Strip, and Mild Steel Scrap. These components are essential for the efficient functioning of transformers, chokes, and other electrical systems.

Our commitment to excellence and customer satisfaction is evident in the premium quality of our products. We utilize cutting-edge technology and manufacturing processes to ensure that every product adheres to the highest industry standards.

We understand the importance of sustainability and ethical business practices, which is why we strive to minimize our environmental footprint. Gayatri Stamping Industry is continuously working to expand its product range, meeting the evolving needs of the electrical and engineering sectors.

Choose Gayatri Stamping Industry for a reliable source of top-quality components and materials, backed by a reputation for excellence and a commitment to fulfilling your specific requirements. We are your trusted partner for all your electrical and engineering needs.
