About Hexacon Enterprise

Hexacon Enterprise was established in the year 2022 in Ahmedabad, Gujarat, India. We are manufacturer and trader of Conveyor belts, conveyor wheels, conveyor rollers and a lot more.

With a quality facade in our minds and advanced production facilities, we are determined to become a leader in the world. In addition, our durable belts are made from the best grades of material leading to long functioning life and effectiveness.

Our diligent and qualified personnel always strive to serve our customers by offering regular as well as customized range of belts. Further, to provide complete value for money, we assure you that our gamut is suitably packed and delivered within the stipulated time frame.

Why Choose Us?

We being a technologically driven company make use of imported hi-tech machines and parts such as vulcanizing, cleats, sidewalls and flights to fabricate a precision-engineered range of conveyor belts. Our widely acclaimed supreme quality belts find extensive application in diverse industries and hold the requisite expertise to offer them customized designs to the requirements of our clients.

We manufacture and supply a wide assortment of premium quality conveyor belts that find extensive usage in an assortment of industries. Our entire gamut is fabricated using qualitative raw material sourced from verified sources. The raw material used for the manufacturing process comprises fibre, rayon, cloth, PVC and many more.

Some of the salient features of our range are as follows:

- Highly Durable

Hexacon Enterprise

- Excellent Strength
- Reliable Performance
- Dimensional Stability
- Wear Resistant
- Antistatic
- Less Noise

Further, we also offer customization in our range of conveyor belts as per the specifications set by our clients.

Choose us and order from us today.
