About International Minerals

International Minerals is known as the industry's prestigious trading company that has been delighting buyers of minerals from its headquarters in Morbi (Gujarat). The company is counted among successful suppliers of premium quality minerals like industrial sand (silica sand & quartz sand) and china clay lumps. We are also looking forward to exporting these superior quality products across the length and breadth of the globe. We source minerals directly from the silica and quartz mines, where these are mass-produced to cater to the demands of a number of industries. The company specializes in offering its products at reasonable prices.

Varmora Minerals(International Minerals-Now) is a company that was established in the year 2017, all with the efforts of the enterprising Co-Founders of the organization viz., Mr. Jaysukh Aghara and Mr. Vijay Varmora, who had a vision of serving buyers with the finest products. The company has come a long way since then, and it enjoys the patronage of its nationwide satisfied customers.

Why Choose Us

Leveraging upon the following factors, the company has established its prominent name in the market of India:
