About J S R Industries Pvt Ltd

Established in the year 2012, we at JSR Industries are one of the most eminent company involved in the manufacturing and supplying a large variety of finest quality Starch Derivative and Poultry Feed Products. Over the years, we have garnered the expertise in providing a qualitative range of Chicken Feed, Maltodextrin Powder, High Maltose Syrup, Liquid Glucose, Invert Sugar Syrup, Rice Gluten, Liquid Sorbitol Solution etc. that are widely applied in various industries all across the nation.

Our innovatively designed production plant is based in Kanpur (Uttar Pradesh, India) that is located amongst one of the major industrial cities present in Northern India. We rigorously follow strict line of control in the installation and selection of production machinery, equipment and tools to create more cost effective solutions that abide by the International Food Safety Standards of the concerned industry.

This assists us in efficiently meeting the requirements of rapidly changing markets and the specifications provided by our esteemed customers in timely manner. We are also backed by a well-equipped R&D lab to readily test the quality of procured raw materials and finished products to serve best possible quality in the consumer market.

At JSR Industries, we are a quality driven organization with international manufacturing standards to bring in more sustainable solutions for both – the people and the product. In order to achieve this, we have the constant support of a highly experienced technocrats, researchers, quality controllers and skilled workforce who are working for us throughout this journey. For us, quality is maintained by conducting a line of proper checks at every stage in the manufacturing, procurement and packaging process so as to give the best overall experience to our customers.

With the dedication of a large distribution network, we always strive to serve our clients with convenient, prompt and safe delivery at every corner of India. We also work with the mission to deliver absolute customer satisfaction at all levels. Needless to say, we are in a strong position to provide the needed after sale services through a range of training and awareness sessions.
