## About Katewalk Footwear

We, **Katewalk Footwear**, established in 2019 in Agra (Uttar Pradesh), have emerged as one of the prominent footwear manufacturers and suppliers in India. Our expertise lies in manufacturing premium quality men's leather shoes, genuine leather slip-on shoes, men's leather boots, and men's leather sandals. We use only genuine leather and other materials obtained from reliable sources to assure their optimum quality. All of the offered shoes are widely appreciated in the market due to their contemporary designs, classy looks, seamless finish, lastingness, and reasonable prices.

With our efficient & skilled workforce and sound infrastructure, we are striving to mark our presence in major markets of India. Our advanced manufacturing facility and quality control facility has empowered us to produce a footwear range that is at par with defined standards of quality. With the constant effort of our people, we have attained an unmatched reputation in the industry within just a few years. They look after all the activities like raw material procurement, manufacturing, quality checking, packaging, sales & marketing, etc. Our people leave no stone unturned to accomplish the assigned jobs properly.

Although we do not have a long history in this domain, we understand the real needs of our customers and successfully cater to them. We are persistently targeting the complete satisfaction of quality-conscious buyers across the Indian Subcontinent.

Motivated by our honorable Mentor Mr. Dinesh Kumar, we work for providing high-quality footwear at the most reasonable prices to our customers. Our focused approach, ethical trade policy, competitive pricing structure, and good relationship with our customers & vendors have enabled us to scale our business to the next level.
