## About M/s Alankrita Metal & Minerals

In order to meet the variegated demands of buyers, M/s Alankrita Metal & Minerals is involved in offering a wide range of products that includes Vijaysar Pterocarpus Marsupium Wood Extract Cores and mild steel products, cast iron, MS scrap, iron ore manganese ore . We are an eminent Manufacturer and Suppliers of these products in India. The entire range that we offer is manufactured using optimum quality raw materials and progressive technology ensuring the finest quality. Precise dimensions, supreme finish, corrosion & abrasion resistant, fine texture and durability are some of the main attributes of our assorted products. Moreover, we can provide these products in both small as well as bulk quantities at the most affordable prices.

M/s Alankrita Metal & Minerals is a Raipur (Chattisgarh) based organization which was incepted in the year 2010. Under the headship of our skilled mentors, we have been able to establish a strong foothold in the industry.

### **Assured Quality**

The entire range that we offer is methodically inspected by our team of controllers ensuring the best quality and no scope of any defects. Apart from this, we use suitable and robust packaging material to pack our products ensuring no damages while delivering.

### **Our Dedicated Team**

With the help of our efficient professionals, we are able to provide the unmatched quality products in the market. Besides this, we organize regular training sessions to keep our employees updated with the prevailing marketing trends.

### **Countrywide Reach**

As we are supported by reliable logistics partners; we are able to deliver our products in different parts of the country. Additionally, our advanced transit facilities enable swift and safe delivery of products.
