About Mahavir Sand Supplier

Mahavir Sand Supplier is one of the reputed and established suppliers of premium quality construction materials. Since its inception in 1971, the company is dealing with the finest quality aerated autoclaved lightweight concrete blocks, ready mix plaster premix, block jointing mortar, gypsum plaster, wall finish putty, bonding plaster, plaster of Paris, cement concrete solid blocks, OPC cement, micro concrete, AAC & clay bricks, etc. We at Mahavir Sand Supplier, rigidly follow a well-specified quality management system throughout the business process in order to provide products of the best level of quality standards.

We ensure that all of our products are sourced from reliable and certified manufacturers/vendors. The procured products are examined by our skilled quality testing experts to ensure their quality and flawlessness. Our quality experts inspect the offered products on several quality parameters before packaging and final delivery to clients. Our products are highly demanded in the construction industry and are greatly popular in the domestic market. The entire range of construction materials offered by us has proven its genuineness in terms of quality and value for money.

Mahavir Sand Supplier is based in Mumbai (Maharashtra) and attaining new heights of success in the domain. With our righteous business practices, cordial behavior, competitive pricing structure, and prompt delivery services, we have maintained a huge and satisfied clientele base all across India.
