## About MAHIDEENA FOODS EXPORT PVT. LTD.

Mahideena Foods Exports Pvt Ltd was established in the year 2015 in Uttar Pradesh, India. We are manufacturer and trader of rice, sugar, parboiled rice, and a lot more.

### Our Strengths

#### Location Benefits:

- Strategically located in a state known for classic conditions for growing paddy (in terms of soil condition and climate) and large-scale rice markets. This provides us the quickest entrance to international trade.

#### Quality Benefits:

- All our brands are suitable for the advanced international criteria in quality, purity and nutritional values. The production process of raw/ processed rice is entirely hygienic.

#### Cost Benefits:

- Our place is in the heart of India's most famous Basmati growing hub also means fair transportation (both inward and outward) and distribution costs, as a result of which, such gains are undeviating moved on to our customers, supplying them high-grade quality rice at an economical cost.

#### Economies of Scale Benefits:

- Almost 100,000 tons per annum is the result of our optimum utilization of plant to convert raw rice into final products. This range of production guarantees excellent efficiency and moderate costs.

#### Packaging Benefits:

- Totally pristine, hygienic and dust free packaging in premium poly bags, non-woven and jute sacks assures that our brand is totally reliable. We also adapt individually country's food regulations and labelling necessities.

#### Brand Advantage

- Ultimately, our excellent brands have built notoriety in both the domestic and global markets. We enjoy a genuine admiration for our dedication to quality, ethical business applications, and cost-effective strategies.
