About Megha Mountain Organics

Megha Mountain Organics was established in the year 2023 in Meghalaya, India. We are a manufacturer and trader of ginger powder, cinnamon sticks, organic ginger and a lot more. The offered products are processed by our food experts using advanced processing techniques in the most hygienic environment.

Before delivering to our clients, these products are tested by our quality experts using the latest testing tools. These products are highly demanded among our clients for their features like purity, hygienically processed, long shelf life, natural taste, excellent quality and safe packaging. We provide these products in air-tight packing material to maintain their quality and freshness for a long time period.

Our infrastructural unit is installed with all the necessary tools and machines, which helps us to process the qualitative range of products. We regularly upgrade the furnished machines and tools to attain high production with optimum quality. These work processes are supervised under the guidance of our qualified and experienced workforce.

Our client-centric approach, ethical business policies, transparent dealings, on-time delivery and easy payment modes have helped us to achieve the reputed name in the industry.

Our Philosophy

Business is about relationships. For a relationship to be successful:

- It must be based on mutual trust and respect

- It must be profitable for both parties

Integrity / Trust:

- We will be ethical in all our dealings- with each other, our Customers, and our Competitors
- We shall not compromise Quality for the sake of Price
- We shall look after the interests of our Customers and Suppliers, at all times
- We shall promote partnerships between our Customers and ourselves

Responsibility:

- We shall maintain professionalism at all times
- We shall act with reasonable restraint and shall not indulge in excessive behaviour
