## About Mukku Enterprises

We wish to present ourselves as one of India's pioneers, driving producers, and merchants of welding machines. WELDERR INDIA has been engaged in this for the final two years, since 2022, with a few welding machine models.

We, too, bargain in all sorts of control tools and welding machines to save parts. We also attempt to design/develop and produce quality items. WELDERR INDIA started to become a top company in resistance welding and automation. They provide technical solutions for their customers.

### Why Select Us?

Quality and polished skills are the foundation of WELDERR INDIA. We have worked hard to construct a notoriety based on our devotion to these standards.

Our items are broadly utilised in the development, manufacturing, construction, shipping, rail, carport, building, homes, etc. Serving your basic needs may be a colossal duty we take exceptionally seriously- the innovation is user-friendly, dependable, and, most critically, has a great life span.

We are glad to present ourselves as one of the driving producers, exporters, and providers of high-quality Resistance welding machines, special-purpose machines/equipment, and other items that meet or exceed global quality standards.

We take into consideration the foremost up-to-date, innovative guidelines throughout the production of our entire run. Because of this, we will presently offer our items in Bangladesh, Nepal, Myanmar, and other adjacent countries.
