## About NAVYUG TRADERS

Navyug Traders is counted among the industry's successful supplier and exporter that deal with construction products. Based in Delhi (India), the company makes available premium quality construction materials/products like ceiling tiles, ceilings, decorative boards, decorative panels, decorative planks, wood substitute & boards, chairs, prefabricated building, groove wooden slats, acoustic flooring, and acoustic wall panel. The products, we provide, are appreciated across the global market for their strength, fine finish, and overall quality. All the products, we bring forward, have been stringently tested at certified quality control lab so that their quality can never be compromised.

Navyug Traders was established in the year 2002 when the company director i.e. Mr. C. N. Rajan decided to mark foray in the construction products trade business. The company has been tremendously flourishing under the astute leadership of Mr. Rajan, who possess years of experience in the export business.

### Team

Over a period of nearly two decades, we have made a long journey in supplying construction products and created hallmarks at every step with the support of our committed team. Our team understands the fundamentals of the industry and caters to the exact needs of the customer.

### Warehouse

We have access to a large and well-organized warehousing facility in the close vicinity of our headquarters. The facility helps us in storing and retrieving these agro-based products in a safe and fast manner. Additionally, we have a basic testing facility in our warehouse for the purpose of quality management.
