About New ISA Sports

At New ISA Sports, we create fitness solutions that give every workout life rather than merely producing gym equipment. Located in the centre of Meerut, Uttar Pradesh, we are dedicated to creating a symphony of wellness, strength, and endurance rather than merely producing.

Roots Deep in Fitness Passion:

New ISA Sports was established as a local project by fitness enthusiasts who had the same goal of inspiring others to adopt a healthy lifestyle. Since then, the company has developed into a leader in fitness innovation. We are aware of the importance of each exercise, and the steel and iron we use to create fitness equipment bears the marks of our journey.

Sculpted Precision, Engineered Perfection:

We find our beat in the metallic clang that echoes. Every piece of exercise gear from New ISA Sports is more than simply a piece of gear; it's a symbol of our everlasting dedication to excellence. Our expert craftsmen combine old-world craftsmanship with modern technology to guarantee that each dumbbell, bench, and treadmill exudes accuracy and longevity.

Beyond Machines, Building Transformations:

Our product line covers a wide range of exercise requirements, from the ease of use of a jump rope to the intricacy of a multipurpose home gym. Because everyone's road to health is different and personal, we at New ISA Sports believe in offering a variety of options to suit the needs of every fitness enthusiast.
