About ORGANICNEOM FOOD PRIVATE LIMITED

Here at OrganicNeom Food Private Limited, we combine the best things nature has to offer into your everyday diet. Our company was established in Gujarat's thriving city of Surat. Our tale started with a straightforward goal: to maximise nature's unmatched advantages. Quality is the foundation of our journey, from the verdant fields to your kitchen.

What We Do

At OrganicNeom, we are experts in producing high-quality vegetable powders, products including moringa, and several other superfoods. Our wide range of items are carefully processed to maintain their natural deliciousness. Our raw ingredients come straight from organic farms that have been certified. This guarantees that every morsel you consume is brimming with unadulterated, pure nourishment.

Our Commitment to Quality

At OrganicNeom, quality is the foundation of all we do. We use stringent quality control procedures at every stage of the production process. Our processing facility in Surat is equipped with modern facilities and equipment. This makes it possible for us to meet all the requirements. We subject all of our products to a rigorous testing procedure. This is useful in ensuring that they are free of impurities. We guarantee to provide you with nothing but the best.

Innovation and Sustainability

We have a strong commitment to using sustainable agricultural methods. We produce great goods while minimising waste thanks to our creative methodology. To support the areas in which we operate, we think it is important to give back to the community.
