## About Qualmet International

Established in the year of 2014, we Qualmet International are the leading Manufacture, Wholesaler and Importer of an extensive array of Aluminium Kitchen Profile, Glass Fittings, Cabinet Fittings, Door Fittings, Patch Fittings, Kitchen Basket, Shower Hinge, Door Rollers, Edge Profile, etc. We direct all our activities to cater the expectations of customers by providing them excellent quality products as per their gratifications. Moreover, we follow moral business policies and crystal pure transparency in all our transactions to keep healthy relations with the customers. For our accomplishment story, we are grateful to our owner Deepak Agrawal, whose continual backing and direction have been useful to us for attaining exponential development in the current market. Qualmet International sets foot in market as Hardware Company and as a Office partition to leverage its extrusion manufacturing plant. The growing hardware demand and the increasing market maturity motivated the company to start full commercial operations in different parts of country, With its office in Bangalore (South). Today, Qualmet International initially employs over 20 people who works to develop a wide customer base with the help of an efficient network, comprehensive logistics system and a sophisticated warehouse located in Bangalore, India. Development of the product is done considering uses, price, strength and Indian culture without compromising with the beauty of the product. Toughest specifications are given to vendor companies for every produce done at their factories. Directors of the company are directly involved in the process of product designing and development. Qualmet International targets to make interior furnishing easy, reliable and reasonable with all its modular system, helping to plan, design and install the things fast.
