

Quick Repair Junction

We Quick Repair Junction are a leading and distinguished Supplier, Exporter, Retailer and Manufacturer of quality Automation System, Dynamic Load Cell, Filters, High Mast Lighting and Industrial Valves.

Black Photoelectric Sensor

MKS2PN-D Omron Relay

Menics Tower Light

Omron Limit Switch

Autonics PRL12-4DN Proximity Sensor

Autonics PSN17-8DN Proximity Sensor

About Quick Repair Junction

Quick Repair Junction is a trusted supplier of cutting-edge electronic products, specializing in sensors, controllers, and related components for a wide range of industries and applications. With a commitment to innovation, quality, and customer satisfaction, we strive to provide reliable and cost-effective solutions that empower businesses to enhance their products and services through advanced technology.

Product Range we offer

We offer a comprehensive range of electronic products and components, including Photoelectric Sensors, Temperature Controllers, PLC Control Systems etc.

Quality Assurance and Technical Support:

Our products undergo rigorous testing and inspection to ensure compliance with industry standards and specifications, guaranteeing superior performance, durability, and longevity. Moreover, our team of experienced engineers and technical experts is dedicated to providing comprehensive pre-sales and post-sales support, assisting customers with product selection, application design, troubleshooting, and customization to ensure optimal outcomes.

Customer-Centric Approach:

We are committed to building strong, long-term relationships with our customers based on trust, transparency, and mutual success. Whether you're a small business, a multinational corporation, or an individual electronics enthusiast, we are your trusted partner for high-quality electronic products, technical expertise, and reliable support. We strive to exceed your expectations at every step of the journey, helping you achieve your goals and unlock new opportunities through innovative electronic solutions.

Factsheet

Basic Information

Nature of Business : Supplier / Exporter / Retailer / Manufacturer

Contact Person : Mr. Pavan Kumar

Registered Address : Ground floor, Flat No-52, Badli Industrial Area, Samaypur, Delhi

Total Number of Employees : Below 20

Year of Establishment : 2022

Legal Status of Firm : Individual (Sole proprietorship)

Sensors and Transducers

Omron Proximity Sensor

Omron Photoelectric Sensor

Autonics PSN17-8DP Proximity Sensor

Autonics PSN17-8DN Proximity Sensor

Autonics PRL18-5DN Proximity Sensor

Autonics PRL12-4DN Proximity Sensor

Variable Speed Motor Drives

INVT AC Drive

Delta VFD AC Drive

Delta MS300 VFD AC Drive

Process Control Systems & Equipment

Omron E5CWL-R1TC
Temperature Controller

Omron E5CWL-R1P
Temperature Controller

Omron E5CWL-Q1TC
Temperature Controller

Automation System

Programmable Logic
Controller System

Porcheson PLC Control
System

Arico Devanshi PLC
Control System

Power Supply Accessories

Meanwell Smps Power Supply

Mean Well Switching Power Supply

Hord

Hord Switching Power Supply
