Split Type Flexiable Spiral Conduit Pipe

## About Rajeshwari Enterprises

Rajeshwari Enterprises, located in Bangalore, Karnataka, has been a leading manufacturer and supplier since 2014, specializing in a comprehensive range of industrial components. We offer an extensive selection of cable management solutions, including PG and Metric Cable Glands, Cable Gland Covers, and Brass Nickel-Plated Cable Glands, alongside Galvanized Brass Conduit Glands and various types of Industrial Conduit Pipes such as Flexible Spiral Conduit Pipes and Galvanized Steel PVC Coated Conduit Pipes.

Our product range also includes Industrial Sleeving options like Pet Expandable Braided Sleeving, Polyester Self-Wrap Sleeving, and Aluminum Fiberglass Sleeving. We provide Silicone Elastomer Coated Fiberglass Sleeving and Textile Sleeving to ensure enhanced protection and durability. Our Industrial Clamps selection features Plastic Hose Clamps, Aluminum Clamps with Vinyl Coating, Steel Clamps with Rubber Cushions, and Nylon Cable Clamps, all designed to meet diverse application needs.

We cater to various industrial requirements with our Industrial Spacers, including Metric Mini Lock PCB Spacers and Hex Plastic Spacers, and offer a variety of Industrial Cable Ties and accessories such as Nylon Push Mount Cable Ties and Screw Mount Cable Tie Holders. Additionally, our product offerings include Locknuts and Sealing Washers for Cable, Polyamide Conduit, and multi-hole sealing inserts.

Rajeshwari Enterprises is dedicated to meeting the demands of our customers by providing high-quality, reliable solutions tailored to their specific needs. With a focus on precision and customer satisfaction, we ensure that our extensive product range effectively addresses the varied requirements of industrial applications. Led by Nikhil B, our company is committed to delivering excellence in every product and service we offer.
