## About RICHET PHARMACEUTICALS

Established in the year 2009, we Richet Pharmaceuticals Pvt. Ltd. Are one of the recognized manufacturers and suppliers of best quality housekeeping products. Our owner Mr. Rajinder introduced quality products in India under the brand name RICHET'S. Our range of quality products is renowned for quality assurance, long term tested formulations and pleasant fragrance. • 'Richet Pharmaceuticals Pvt. Ltd, is manufacturer of Industrial Chemicals, Household Cleaning & Washing Chemicals. Offered range of the products consists of Pine Oil, Liquid Detergents. Our Home care products, Toilet Bowl Cleaner, Glass Cleaner, Liquid detergents, conc. Floor Cleaners, fabric wash, Hand Sanitizer, Multipurpose Cleaner, Aftershave Lotion Concentrate etc. are specially formulated to give best performances. We offer home care products in two categories i.e. Ready to use form and concentrated form, which can be diluted before use. Our products in this category are used for cleaning/washing clothes, utensils, floors, toilets, glassware and practically everything in a modern household. All our products are processed using high-grade chemicals in order to deliver our customers quality products. The range of the products, we offer are acknowledged for their purity, longer shelf life and balanced composition. •All our raw material is sourced from reliable and well known vendors of the country, which allow us to manufacture a range that is natural and effective. A novel application of our range is the usage of the packaging as an advertisement medium for various organizations, pharmaceutical companies and hotels. Our expert are highly trained and experienced in their respective domains and work in close coordination with each other to meet the clients specific requirements. With the assistance of our experts, we have been able to provide customization on various parameters such as different qualities used to meet the clients specific requirements.
