About S. K. Interiors

S. K. Interiors was established in the year 2008 in Mumbai, Maharashtra, India. We are manufacturer and trader of blinds, carpet, floorings and a lot more. Ever since our inception, we have been engaged in the production of trendy and traditional, stylish carpets, PVC flooring, blinds and many other decorative accessories.

Our team comprises highly skilled and specialized people, who are well aware of the needs of our clients and can manufacture interior decoration products to suit their specific needs. These quality-proven products are made readily available for our ever-increasing client base in the domestic and international markets.

Since our inception, we have always achieved a good rate of growth and success, which has reaffirmed our faith in producing quality products with attractive designs.

Clientele:

We take pride in having a long list of satisfied customers, who are giving us repeated orders. Many of them have been doing business with us since our inception and this has reaffirmed our faith in making long-lasting relations with our clients. Our client list is highly diverse, and includes hotels, business establishments, educational institutions, residential units and many more.

Quality Assurance:

Quality is of utmost importance in our manufacturing process and all business operations. We understand the importance of producing superior quality products and the long way it goes in establishing a company as a reliable brand. To achieve this goal, we adopt international practices and techniques to produce products with zero defects and unmatched designs.

We have adopted strict quality control measures and procedures to check quality at each stage of production and supply. These measures are taken to produce products of international standards.
