## About S R K Corporation

S R K Corporation, headquartered in the industrially vibrant city of Aurangabad, Maharashtra, has been a key player in the manufacturing, exporting, and importing of premium construction materials since its inception in 2011. Specializing in a diverse range of products, we take pride in our expertise in PVC Foam Sheet, WPC Board, PVC Celuka Foam Sheet, Solid PVC Door, and PVC Bathroom Door.

Founded and spearheaded by the visionary Mr. Sagar Sunil Khandelwal, S R K Corporation has carved a niche for itself in the competitive market. As the Founder and CEO, Mr. Khandelwal brings a wealth of experience and a forward-thinking approach to the company, driving innovation and sustainable growth.

Our product line is a testament to our unwavering commitment to quality and functionality. The PVC Foam Sheet, known for its versatility and durability, finds applications in a myriad of construction projects. The WPC Board, a blend of wood and plastic, offers a sustainable alternative with a natural aesthetic. Our PVC Celuka Foam Sheet stands out for its lightweight yet robust characteristics.

In addition to sheets and boards, our Solid PVC Doors exemplify precision engineering, providing a sturdy and aesthetically pleasing solution for interior and exterior spaces. Complementing this, our PVC Bathroom Doors are designed with a focus on water resistance and longevity, catering to the specific demands of modern living.

S R K Corporation operates with a customer-centric approach, ensuring that our products not only meet but exceed the expectations of our clients. With a commitment to innovation, quality, and customer satisfaction, we continue to be a trusted name in the construction materials industry, contributing to the development of infrastructure with our cutting-edge solutions.
