About S2M ENTERPRISES

Having our base in Ghaziabad (Uttar Pradesh), we, **S2M Enterprises** proudly introduce ourselves as one of the prominent manufacturers and suppliers of a wide array of industrial safety products and road safety products in India. We have continuously led the production of new products considering the requirements across various industries and traffic requirements countrywide. We deal in industrial safety ear muffs, emergency safety lights, safety face shields, high-pressure gas regulators, industrial safety helmets, plastic traffic barriers, portable gas detectors, reflective delineators, road spikes, rubber wheel stoppers, industrial safety belts, industrial safety gumboots, industrial safety jackets, industrial safety nets, traffic spring posts, traffic safety cones, safety shoes, safety gloves, etc. All of our safety products are manufactured using the best-grade inputs and cutting-edge technology in adherence to the industry set standards and guidelines. The offered products are known for their wear & tear resistance, fire resistance, heat resistance, durability, etc.

S2M Enterprises was established in the year 2021 and is highly focused on delivering the best to its customers. We have employed a team of talented and experienced professionals who are extremely passionate about their responsibilities and handle all the business-related activities skilfully. They take all possible attempts to enhance the production rate in order to cater to the market demands properly. All the safety products that we offer are rechecked by our quality control experts at our in-house quality testing department before bringing them to the market.

We aim to set new benchmarks in the domain through our quality products and personalized services. We work with a motive to mark a presence in the market as one of the most favorite suppliers of industrial safety products and road safety products.
