About SAINATH AGRO

Sainath Agro Poultry Equipment

Our reputed company in Sangamner District Ahmednagar, Maharashtra is highly engaged in manufacturing and supplying top notch grade poultry equipment. Our comprehensive range includes Poultry Layer Cages, Poultry Nipple Drinker System, Broiler Drinking System, Auto Feeding System, Poultry Feed Mills, and Poultry Trolley System. Being established in 1988, our veteran organization has been keeping the clients satisfied with excellent quality and timely deliveries

The sincere efforts of our team have made us attain a remarkable position in the market. We maintain a list of gratified clients who order us on a repeated basis and we put the best of our endeavors to fulfill all their specific requirements.

Set up in an area of 2 hectares and having the production capacity of 10000-20000 pieces per day, we are bedecked with testing laboratory and R&D facilities.

Best Quality Assurance

Our efficient team with strength of 50 makes use of the finest grade basic inputs and sophisticated techniques for the production of the offered equipment. Moreover, the quality team meticulously examines each and every lot on the basis of various quality parameters before making the final dispatch to our venerated clients.

Strong logistics

Sainath Agro Poultry Equipment is backed by a team of adept personnel who leave no stone unturned in making timely deliveries of bulk and urgent orders. We are blessed with a strong distribution system that enables our company to make deliveries to the clients settled abroad. The modes of transportation used by us have a temperature controlled environment that does not let the spoilage of the offered products.

These aspects make us stand tall in the market and have an edge over the competitors. So, get in touch with our marketing team and be ready for a long-term alliance.
