## About SDT Fashion International Private Limited

SDT Fashion International Private Limited has made a name for itself in the clothing and shoe manufacturing industry. Since 2002, we have been operating from our base in Bhiwani, Haryana. And we do so with the passion and intention of excelling in our services to our clients.

We are the leading manufacturers of sports and formal shoes for both men and women. Apart from our various types of shoes we also manufacture all types of clothing items for men and women. Every item that we manufacture and sell goes under the brand name FIZOO. With this, we have conquered the entire Indian market. And today, we have retained the leading position with all our efforts.

Our quality is consistently maintained because of the superiority of our base materials that go into the making of all our items. For this, our company CEO, Mr. Dinesh Kumar, personally oversees the procedure. We leave no stone unturned to ensure that our customers are pleased and satisfied with every FIZOO product. Their satisfaction is our ultimate achievement and goal.

Even today, after years of being in the industry, we are still committed to serving all our clients with passion and dedication.
