About Shiv Shakti Udhyog

Shiv Shakti Udhyog is an established organization from Jalandhar (Punjab) that brings forward matchless products for water media. We serve as the foremost manufacturer and supplier (trader & wholesaler) premium quality jet spray, shower tube, waste pipes, connection pipes, and PVC braided hose pipe. We make use of high-quality materials so that the quality of products can be optimized. We are committed to fulfill the buyers' demands with the finest products and services and on-time delivery of the same. Our products and services serve as the foremost choice of different patrons in India. The buyers prefer us for their bulk requirements as we make our offerings available at reasonable prices/charges.

Shiv Shakti Udhyog has been led and managed by a resourceful professional i.e. Mr. Sumit Sharma (Proprietor), who laid company's foundation stone back in the year 2016 with a commitment of delighting buyers with a premium range of products. Since its inception, the company never looked back and progressed in its business endeavors and commitment to enhance client satisfaction through its offerings.

Our Warehouse

Shiv Shakti Udhyog has access to modernistic warehouse in Jalandhar. It is an advanced and spacious warehouse, which is equipped with modern technology that provides basic amenities for the storage of our products. It is also the same place where we store our products in different sections.

Packaging & Delivery

We have hired reliable packaging and delivery experts who undertake the task of making sure that the products reach the buyers in intact conditions. Moreover, we promise to deliver our products to the customers within the allotted time.
