About SIDCO CONTROL CABLE

SIDCO CONTROL CABLE, we pride ourselves on being a premier **manufacturer and supplier** of high-quality control cables, catering specifically to the automotive industry. Founded by **Mr. Kaushik** in **2022**, our company is based in **Surat, Gujarat**, where we have established ourselves as a trusted name in the field.

With a relentless commitment to excellence, we specialize in producing a range of control cables essential for the smooth operation of vehicles. Our product line includes Accelerator Throttle Cables, Choke Cables, Clutch Cables, Front Brake Cables, Rear Brake Cables, and Speedometer Cables. Each cable is crafted with precision and care, using top-grade materials and cutting-edge manufacturing techniques to ensure optimal performance and durability.

What sets us apart is not just our products, but our dedication to customer satisfaction. We understand the critical role that control cables play in the functioning of vehicles, which is why we prioritize quality and reliability in everything we do. Our team of skilled professionals works tirelessly to maintain the highest standards, conducting rigorous quality checks at every stage of production to deliver cables that meet or exceed industry benchmarks.

At **SIDCO CONTROL CABLE**, we believe in building lasting relationships with our customers based on trust, integrity, and mutual respect. Whether you're a small garage or a large automotive manufacturer, we are committed to providing personalized service and support to meet your unique requirements. From custom cable solutions to prompt delivery and responsive after-sales assistance, we strive to exceed your expectations every step of the way.
