About SUDDHA MACHINERIES AND INDUSTRIES PRIVATE LIMITED

Suddha Machineries and Industries Pvt Ltd, an **ISO 9001:2015** Certified Company, has now emerged as a key player in the market for **manufacturing** Aluminium Foil Poly Coated Seals Lid, Aluminum Silver Plain Blister Foil, Chocolate Foil Wrapper, Golden Foil, Ice Cream Cone Sleeve, Printed Silver Blister Foils, Round Aluminum Foil Lids For PS Cups Jars, Silver Aluminium CR Foil, Silver Aluminum Foil Lid, Silver Foil, Silver Lids Foil for PP Plastic Cups, Strip Pack Aluminum Plain Foil, Strip Pack Aluminum Printed Foils, White Plain Glassine Paper, White Plain Poly Coated Glassine Paper, backed by a professional team with knowledge, experience and creativity. We had laid certain goals and objectives for the company, when we started our operations in the year **2019**. Looking back since then, we can derive a sense of satisfaction that the company has been able to tread the path of growth & development. It has not only achieved a turnaround in its profitability, but also reached out to a larger number of customers in the domestic & export markets.

We are a customer focused company and believe in delivering high quality products with cost effective solutions. As such, our constant endeavor is to give more value to the customer's money through innovation & modification. To this end we have our R&D division, devoted to meet technology challenges that are encountered from time to time.

The vigilant guidance of our leader and mentor **Mr.Ananda Mukhopadhyay** depicts his unwavering focus towards client satisfaction. He motivates us to optimize our potentials to bring forth competitive products.

Our dedicated efforts have also led us to cater to the wide demands of our clients based not only in India but also in other countries of the globe. To support the requirements of our wide client base, we have set up an efficient supply chain and a wide network that spreads across the nation. This not only helps us in prompt processing of our domestic orders, but also carries forward our international business towards growth.

Why Us?

Our governance and ethics are the founding pillars of our rapid growth. Our day to day business operations reflect our unwavering respect for ingenuity and transparency. Moreover, we invest in leading technology to make the quality products viable at nominal price bands. Our company is creating a consistent framework to sustain the environment for generations to come, which indeed helped us to nurture enduring relationships with a huge client base.
