About Suroliya technologies

Established in the year 2018, we at Suroliya Technologies are a renowned manufacturer of home cleaning products. We have specialization in black Phenyl, white Phenyl, drain cleaner, bathroom cleaner, Hand Wash, Dish Wash, Glass Cleaner, floor cleaner, and toilet cleaner.

Suroliya Technologies stands for taking care by offering the right solutions for all challenging and special needs. We have years of experience in redefining the standards of cleanliness in India. Investing time and effort in knowing the needs of the Indian market, we have innovated products that make your daily life easy. Every user of the company can take pride in the reality that our products and manufacturing have the least impact on the environment.

Our products are offered in different shapes, sizes, and colors. We also accept customized orders as per the demands of the customers. The products we offer have been highly praised by our clients and customers. They have praised our range for its durability, charm, ease of use, and environmental friendliness.

Our team is a group of employees who work hard to keep the company moving in new and successful directions. We believe we can always do better and strive to recognize improvements in our processes and all products.

Based in Jaipur, Rajasthan (India), the company is owned and managed by Mr. Kishore Kumar Sharma (Proprietor) and quickly gaining success in the market.
