About Tushar Enterprise

Tushar Enterprise is a unique start-up offering top-quality roofing solutions. Based in Vadodara, Gujarat (India) we are committed to giving the finest quality products to valuable customers in the Indian market. Established in the year 2010, the company is serving the needs of customers with top-quality products.

Our Products

Our product list comprises Roofing Sheets, Air Ventilators, Pneumatic Grinder, Pneumatic Hammer, Pneumatic Angle Sander, Air Impact Wrench, and Pneumatic Weld Flux Chipper. All the products are highly appreciated for their best quality and expertise.

Our vision

Our vision is to be a globally renowned Engineering Metal Product Manufacturing Company. We understand the needs of the customers for roofing solutions and give amazing services.

OBJECTIVE

Our prime objective is to create the right usage of the advanced infrastructure, technical expertise, experience, and knowledge to give the best quality and affordable products to our customers. Tushar Enterprise started with a vision to give world-class products manufactured in personalized art production units. We aim at offering a good quality product at a competitive price.

We are working under the expert guidance of Mr. Manu Parmar (Company Founder). He has years of experience in the field and serving the needs of customers at the best level. Tushar Enterprise also accepts bulk orders from the side of customers and promises to give faster delivery of the products.
