About Urja Agricare Co.

Urja Agricare Co. is a leading manufacturer of Zatkan machines and their parts and also a premier service provider of comprehensive solar services. Established in 2018 we have carved a niche in the industry by delivering high-quality, reliable, and innovative solutions that cater to the security and renewable energy needs of both residential and commercial sectors. Our commitment to excellence, sustainability, and customer satisfaction drives us to continually enhance our products and services.

Mission Statement

Our mission is to provide top-tier Zatkan machines and advanced solar services that ensure security, energy efficiency, and environmental sustainability. We strive to empower our customers with reliable, innovative, and eco-friendly solutions that contribute to a safer and greener future.

Vision

To be a global leader in the security and renewable energy industries, recognized for our high-quality products, innovative solutions, and unwavering commitment to sustainability and customer satisfaction.

Products and Services

We are comprehensively dealing in the Zatkan machines and products like Zatkan Machine Parts, Hook Insulators etc. Along with that, we are also dealing in services like Solar Services, Power Factor Correction Services etc.

Quality Assurance:

Our manufacturing and service processes adhere to stringent quality control standards. Our Zatkan machines and solar solutions are designed and tested to meet international safety and performance benchmarks. We use high-grade materials and advanced technologies to ensure our products and services are of the highest quality.
