Our Inception

Our company was co-founded by Harshil Patel in the year 2019 with a motive to fully explore her passion as a Fashion and Interior designing expert by representing the not so explored world of emerging essentials and textile technologies. Apart from providing a global platform to the knitting industry, her passion was fuelled with a desire to make comfort and style available to everyone in a sustainable way.

Our Quality

Under the guidance of our Founder Harshil Patel, we have associated with some of the most reputed manufacturers of the industry who are well versed with the production process and have delivered some of the most appreciated products to various industries around the globe. We have a close knit group of product designers and craftsmen who are involved in the textile industry for many years.

Further, our products are made in a cutting edge manufacturing unit that is regularly inspected, verified and supervised by our quality controllers & standard maintain executives.

Our Mission

Situated in Surat (Gujarat, India), we are committed to use our deep rooted global networks and expertise to give our local manufacturers and communities a global recognition while providing the international market with the most durable, comfortable, stylish and customized products.

Our Vision

We focus to bring a complete range of essentials that will enable people to be inspired and express their own personal style through tailor made solutions.

To perfectly accumulate both comfort and luxury in the product range that effectively represent the changing trends of the market.
